Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

100% of students in years Prep to Year 3 achieved a C or above in English.
100% of students in Year 3 Reading achieved national minimum standards.

Strategies implemented include:

- Implement pedagogical practices to improve reading skills based on research by Fountas&Ponnell that focuses upon the explicit teaching of reading for all students
- Develop Individual Learning Plans for students who are identified below the National minimum Standards for Reading.
- Build staff capacity to work with students who require targeted and intensive literacy intervention in Prep to Year 3
