

Investing for Success

**Under this agreement for 2022
Pentland State School will receive**

\$10 055

This funding will be used to

Baseline: 2021 Level of Achievement.

- English: A/B 67%, A-C 92%.
- Maths A/B 84%, A-C 92%.
- Science A/B 69%, A-C 92%.

Target:

Level of Achievement: C or above > 100%, A or B >85%

100% students improving reading, literacy continuum

100% students achieving National minimum standards

80% students achieving upper two bands

Our initiatives include

- Develop personalised teaching through the inquiry cycles, literacy continuum, collaboratively unpacking all units, identifying reading and writing demands and co-constructing learning walls in K-6.
- Utilise the School Improvement Model, Australian Curriculum and Literacy Continuum to case manage students.

Our school will improve student outcomes by

Employ a teacher to maintain the current two classrooms to allow effective teaching and learning in the kindergarten program and early years. (\$10 055).
